Three New Colors!

**Built on Heritage and Tradition,** Leisure Lawns Collection is known for its craftsmanship and quality. In 1987, a young Amish farmer in Lancaster County, Pennsylvania, started building wooden lawn furniture as a way to supplement his income. As he began offering furniture for sale at local farmers markets and shops, the customer interest grew. He began expanding his product line to include more wooden lawn furniture. Years later, the introduction of maintenance-free poly brought more changes to the Leisure Lawns Collection. Many of the wooden styles were adapted to poly, making the furniture more durable and colorful. Leisure Lawns has now been producing poly furniture for twenty-two years and continues to introduce new designs and continues to improve on their other designs.

**After 35 years in business,** Leisure Lawns Collections is still run by a family member of the Amish farmer who started the business. Leisure Lawns is continuously improving its products and adding new styles. Today, we ship furniture all over the United States and Canada. At Leisure Lawns, we still place the highest value on hard work, superior craftsmanship and customer satisfaction.

Our line of picnic tables provides the excellent durability of poly to a backyard picnic venue. Especially geared toward families, our picnic tables are resistant to rot and warping, providing good flat surfaces on table and bench for years to come.

# Outdoor Poly Furniture BUILT FOR DURABILITY

## POLY CONSTRUCTION

Produced with plastic lumber made from high-density polyethylene which would normally be disposed into landfills.

## THICKER LEG CONSTRUCTION

The legs of our poly furniture are 1½" thick by 3½" wide, giving our furniture additional strength and stability.

## 26 POLY COLORS

Twenty-six beautiful poly infused with color and UV stabilizers (see page 48).

## STAINLESS STEEL FASTENERS

We use high-quality stainless steel fasteners on all of our poly furniture which are proven to be more resistant to corrosion.

## MAINTENANCE-FREE

Our furniture will not rot, rust or fall apart from wear. Poly does not require painting and is built to endure harsh weather. Periodic cleaning is required to keep the furniture looking new.

## QUALITY ASSURANCE

All of our furniture is made using only the highest quality products, allowing us to stand behind our products knowing it will serve you well in the years to come.

# Poly Furniture Warranty

Our high-density polyethylene (HDPE) outdoor furniture carries a limited warranty against manufacturer defects in workmanship and materials for the period of twenty (20) years of residential use or five (5) years of commercial use from the date of original purchase. This warranty will cover replacement parts but does not include labor.

## Color Durability

Leisure Lawns poly products have a time-proven record of excellent color durability. Our poly products are manufactured with HDPE featuring UV inhibitors that minimize fading. However, keep in mind that prolonged exposure to the sun will cause all colors to fade to some degree. Orange, red and yellow are most susceptible to fading. Additionally, failing to clean your furniture regularly will void the warranty for poly color issues.

## Stainless Steel Fasteners

We use stainless steel fasteners on all of our poly furniture. We use high quality stainless steel to ensure superior protection when exposed to the elements. However, in extreme conditions, such as coastal areas where salt water is present, stainless-steel hardware may require more cleaning and maintenance to avoid corrosion. You should regularly wash or rinse your furniture with fresh water to avoid corrosion.

Our hardware fasteners are warranted to not fail structurally for the applicable warranty period (20 years residential use; 5 years commercial use). If not maintained, stainless steel may corrode in certain extreme conditions (coastal areas). If you are in a high acidic area and are concerned about corrosion, we encourage you to add stainless steel paint to your hardware.

**New & Improved  
Stainless Steel Swivels**

# Poly Furniture Care

Clean your poly furniture regularly with a non-abrasive soap and water to ensure the continued beauty of your furniture. Colors like white, gray or ivory and other of our lighter colors will need to be cleaned more frequently to maintain their original beauty. With our lighter colors, spray the furniture with a non-abrasive cleaner then wipe the furniture with a cloth and rinse off with warm, clean water. We do not recommend using a pressure washer. But if you choose to use one, do not hold the pressure washer too close to the furniture. It may cause the material to tear away so be sure to hold the top more than 12” away from the furniture.

Do not place items on the furniture that will leave a stain. Do not place hot items directly on the furniture. If properly cared for, you will be able to enjoy your poly furniture for many years!
